### **BUDGET ADVISORY COMMITTEE**

---

For the past eleven years, Peru CSD has organized a Budget Advisory Committee (BAC) that has served to inform and promote school-community discussion concurrent with the school district budget development process.

The BAC typically meets in order to develop an understanding of revenues and expenditures, components of a balanced budget, and particular challenges that face the school district. Traditionally, the BAC has formulated recommendations for Board consideration to assist the Board and administration.

At this time, the BAC is scheduled to meet at 6:00 PM on Thursday, February 16<sup>th</sup> and Wednesday, March 15<sup>th</sup>. In addition to these informational sessions, the BAC will be invited to share their recommendations with the School Board during a public budget development workshop, **tentatively** set for Tuesday, March 21<sup>st</sup>.

If you wish to participate in any of the meetings of the BAC, please register by calling 643-6004. Thank you.
