

**ARP-ESSER Application: Part 2 - ARP Act**Introduction/Instructions - Summary & Background

---

**Summary & Background**

PERU CSD

091101060000

**SUMMARY & BACKGROUND**

On March 11, 2021, the President signed into law the American Rescue Plan Act of 2021 (ARP). ARP makes available \$122.8 billion nationally in a third round of Elementary and Secondary School Emergency Relief (ESSER) funds. New York State has been allocated nearly \$9 billion under the ARP Act's Elementary and Secondary School Emergency Relief (ESSER) Fund. The ARP Act requires that a minimum of \$8.09 billion (90 percent) be allocated to LEAs, including charter schools and Special Act School Districts that are LEAs. Pursuant to the terms of the ARP Act, LEA allocations have been calculated using the relative shares of grants awarded under Title I, Part A of the ESEA for the most recent federal fiscal year (2020). Each eligible LEA's ARP-ESSER allocation may be found [HERE](#).

Under section 2001(d)(2) of ARP Act of 2021, each State Educational Agency (SEA) must make ARP-ESSER allocations to LEAs in an expedited and timely manner and, to the extent practicable, not later than 60 days after the SEA receives its ARP-ESSER funds. The first portion of ARP-ESSER Funds was awarded to states on March 24, 2021, and 60 days from that day is May 24, 2021. The U.S. Department of Education (USDE) has taken the position that an SEA makes allocations when it authorizes the LEA to begin to obligate funds in accordance with its needs. To enable New York State's LEAs to begin to obligate ARP-ESSER funds by USDE's May 24, 2021 deadline, the application for LEA 90% base ARP-ESSER allocations is being administered by NYSED as a two-part application process:

**ARP-ESSER Application – Part 1:** The first step was for each LEA to submit signed assurances to NYSED by May 24, 2021. Upon receipt of signed LEA assurances, NYSED provided an email notice to the LEA of substantially approvable application status. Upon receipt of such notice, LEAs were able to begin obligating their allocation of 90% base ARP-ESSER funds.

**ARP-ESSER Application – Part 2:** The second step will be the submission of a full application and budget by the LEA. NYSED will issue a Grant Award Notice (GAN) to the LEA after the LEA's application is fully reviewed and approved by NYSED. Part 2 will address several of the plan-related assurances an LEA must provide in Part 1 of the application process.

The ARP Act requires LEAs to reserve at least 20% of their 90% ARP-ESSER allocation to address learning loss through the implementation of evidence-based interventions, such as summer learning or summer enrichment, extended day, comprehensive afterschool programs, or extended school year programs, and ensure that such interventions respond to students' academic, social, and emotional needs and address the disproportionate impact of the coronavirus on economically disadvantaged students, children with disabilities, English learners, racial and ethnic minorities, migrant students, students experiencing homelessness, and children and youth in foster care. For your information, the minimum 20% reservation for each LEA may be found [HERE](#).

**Project Period**

March 13, 2020 to September 30, 2024 to obligate funds. Funds must be fully liquidated by October 31, 2024.

**Project Number**

The project number stem for the program is:

ESSER: 5880 - 21 - XXXX

This number should be used on the appropriate FS-10 budget form.

**Submission Deadline**

Completed applications are due by **August 31, 2021** (with extensions by request), and will be reviewed on a rolling basis.

Please note that applications must be submitted and fully approved by no later than March 23, 2022. LEAs that have not been issued a Grant Award Notice by that time will be at risk of having their ARP-ESSER allocation returned to the United States Department of Education.

**ARP-ESSER Application: Part 2 - ARP Act**Introduction/Instructions - Summary & Background

---

**APPLICATION PROCESS FOR LEA ALLOCATIONS OF ARP-ESSER SEA RESERVE FUNDS**

The federal ARP statute requires SEAs to reserve:

not less than 5 percent of the total amount of grant funds awarded to the State (\$449.4 million) to carry out activities to address the impact of lost instructional time by supporting the implementation of evidence-based interventions;

not less than 1 percent (\$89.9 million) to carry out the implementation of evidence-based summer enrichment programs; and

not less than 1 percent (\$89.9 million) to carry out the implementation of evidence-based comprehensive afterschool programs.

The 2021-22 enacted state budget directs that these required SEA set-asides be allocated as grants to specified school districts. Each eligible district's allocation of SEA reserve funds may be found [HERE](#). NYSED will inform school districts under separate cover when the application process for school district allocations of ARP-ESSER SEA set-aside funds has been published in the [SED Monitoring and Vendor Reporting System](#). This application is only for LEA 90% base ARP-ESSER allocations. LEAs should not apply for ARP ESSER SEA Reserve funds as part of this application.

**ARP-ESSER Application: Part 2 - ARP Act**Introduction/Instructions - Submission Instructions

---

**Submission Instructions**

PERU CSD

091101060000

**Directions for Submitting the Application:**

The online application may only be submitted/certified by the chief school officer of the applicant LEA. The designated superintendent (public school LEAs), and the chief executive officer, board of trustees president, or school employee designated by the board of trustees (charter school LEAs) are the only administrators with the submit/certify rights necessary to successfully submit and certify a completed application for NYSED review.

LEAs ARE NOT REQUIRED to send hard copies of general application materials to the Department.

LEAs ARE REQUIRED to send signed originals and two hard copies of each FS-10 Budget Form to:

*Office of ESSA-Funded Programs - Rm 320 EB*

*RE: ARP-ESSER Application – Part 2*

*New York State Education Department*

*89 Washington Avenue*

*Albany, NY 12234.*

**Deadline for Submitting the Applications:**

The *ARP-ESSER Application – Part 2* is due by August 31, 2021.

**ARP-ESSER LEA Base 90% Allocation - Plan Development and Dissemination**

PERU CSD

091101060000

Title VIII of Division B of the CARES Act directs the Department to carry out the Education Stabilization Fund, of which the ARP ESSER funds are a part. Section 2001 of the ARP Act provides for the Department to make grants to each SEA from the ARP ESSER funds. An SEA must allocate at least 90 percent of its ARP ESSER grant funds to its LEAs (including charter schools that are LEAs) in the State in the same proportion that the LEAs received under part A of title I of the ESEA in Fiscal Year 2020, as required by section 2001(d)(1) of the ARP Act; and section 2001(e) of the ARP Act prescribes certain mandatory and permissive uses of LEAs' funds. Under 20 U.S.C. 1221e-3, the Secretary has the authority to promulgate rules governing the programs administered by the Department. Under this requirement, each LEA that receives ARP ESSER funds must develop, submit to the SEA on a reasonable timeline determined by the SEA, and make publicly available on the LEA's website, a plan for the LEA's use of ARP ESSER funds. The plan - known as the LEA ARP ESSER Plan - and any revisions to the plan submitted consistent with procedures established by the SEA, must include a description of key activities which are required below.

**NYSED will consider each LEA's application for its base 90% ARP-ESSER allocation as meeting the USDE LEA ARP-ESSER use of funds plan requirement, provided the required elements of the plan are fully addressed in the LEA's application, combined with a budget, and then publicly posted after being developed with public input.**

An LEA must engage in meaningful consultation with stakeholders and give the public an opportunity to provide input in the development of its plan. Specifically, an LEA must engage in meaningful consultation with students; families; school and district administrators (including special education administrators); and teachers, principals, school leaders, other educators, school staff, and their unions. Additionally, an LEA must engage in meaningful consultation with each of the following, to the extent present in or served by the LEA: Tribes; civil rights organizations (including disability rights organizations); and stakeholders representing the interests of children with disabilities, English learners, children experiencing homelessness, children in foster care, migratory students, children who are incarcerated, and other underserved students.

Each LEA's ARP ESSER plan must be in an understandable and uniform format and, to the extent practicable, written in a language that parents can understand (or, if not practicable, orally translated). Upon request by a parent with a disability, LEA plans must be provided in an alternative format accessible to the parent.

- 1. In the space provided below, please describe how the LEA meaningfully engaged a diverse and representative set of the applicable stakeholders in developing a plan to use these funds and implementing that plan.**

The Peru CSD is dedicated to the meaningful engagement of all stakeholder groups impacted by the Covid pandemic. Meetings with District staff, Parent Teacher Organizations and student surveys have been conducted to assess areas of potential need. The areas of Academic Support, Academic Intervention, Academic Passion and SEL have been indicated as greatly impacted by the pandemic. The District will continue to work with its partners, Cornell Cooperative, Extension, Peru Administrative Council, Peru Association of Teachers, and the broader Peru community to establish additional supports and services for our students. Stakeholders from the Individual grade-span groups PreK-2, 3-5, 6-8, and 9-12 will continue to engage in meetings, biannually or more often as needed, to discuss the implementation of the ARP funding plan and propose changes over the course of the grant cycle.

- 2. In the space provided below, please provide the URL for the website(s) where the LEA ARP-ESSER Plan is/will be publicly posted. For an LEA that does not have a website, the LEA may identify an online platform (e.g. social media group or post, file sharing service, email listserv) that allows plans to be directly communicated to students, parents or legal guardians, school staff, and other stakeholders. As appropriate, the LEA should provide details about how the plan will be made available to people who request it.**

Peru CSCD.org

Hard copies of the LEA ARP-ESSER Plan will be available upon request.

**ARP-ESSER LEA Base 90% Allocation - Program Information**

**ARP-ESSER Application: Part 2 - ARP Act****LEA ARP-ESSER Plan - ARP-ESSER Plan Development & Program Information**

---

- 3. In the space provided below, please describe the extent to which and how the funds will be used to implement prevention and mitigation strategies that are, to the greatest extent practicable, consistent with the most recent CDC guidance on reopening schools, in order to continuously and safely open and operate schools for in-person learning.**

The District will continue working to mitigate the spread of COVID19. ARP funding will support the hiring of an additional LPN Nurse who will assist with contact tracing and the implementation of public health protocols to maintain the safety and health of students and staff. Stipends will also be used for district staff to conduct contact tracing after school and on weekends to assist the district with implementing public health protocols to maintain the health and safety of students and staff.

- 4. In the space provided below, please describe the data that the LEA will use to identify student needs and monitor student progress as a result of planned interventions and supports.**

The District will continue to monitor student growth using the following data indicators of student achievement: PreK- PELI, K-2- Acadience Math & Reading, grades 3-12- NWEA Reading and Math assessments, NYS ELA, Math and Science Assessments, in addition to locally developed assessments. Data will be used to support, triangulate and provide multiple measures of student growth. for grade-level team data to inform RtI groupings for one or more of the following targeted supports.

Academic Interventions: Interventions in which students are provided instruction on missing academic skills.

Check-In/Check-Out: A structured intervention in which students receive feedback on their behavior at designated times throughout the day. In the morning, they "check-in" with a staff member and then receive period feedback throughout the day from their teacher(s). At the end of the day, they "check out" with the staff member from the morning check-in. Also referred to as Behavior Education Program.

Classwide Interventions: Interventions that are provided to the whole class, yet are designed to target only one or a few students' behaviors.

Mentoring: Students are assigned a mentor to provide a positive role model and promote attachment to school.

Setting-based Interventions: The setting in which undesired behavior is displayed by a student within is modified, such as using a structured recessor providing unique contingencies during a given setting.

Social Skills/Social-Emotional Learning Interventions: Through the use of the SecondStep and the MindUp programs students are provided instruction specifically structured and equipped to support students' social emotional learning and development.

- 5. In the space provided below, please describe how the LEA will use the funds it reserves under section 2001(e)(1) - the required reserve of 20% of funds - to address the academic impact of lost instructional time through the implementation of evidence-based interventions, such as summer learning or summer enrichment, extended day, comprehensive afterschool programs, or extended school year.**

The District will develop Afterschool and Summer Learning Programs (in-person and remote) for students that will incorporate a camp-like atmosphere while addressing academic gaps, as indicated by our year-long data review and ongoing strategies meetings being conducted throughout the pandemic. Academic Passions camps will provide students the opportunity to discover new interests and develop skills. Programs will employ hands-on STEM learning with Cornell Cooperative Extension staff and in afterschool and summertime instructional opportunities facilitated by district teachers and staff members. Students will use technology to express themselves through the arts (photography, sculpture, design) using laser printers and manufacturing equipment and by creating communications content in a new video and audio production studio. College For Every Student-CFES- Bright Pathways will assist in preparing high school students for SAT Exams in an effort to offset the academic impacts of lost instructional time in correlation to students being well equipped for the SAT. To further address the overarching concern of the social-emotional wellbeing of our students, fieldtrips for Adventure Based Counseling and Circle training will be also provided.

- 6. In the space provided below, please describe how the LEA will spend its remaining ARP ESSER funds consistent with section 2001(e)(2) - the allowable uses of funds - of the ARP Act.**

The District will provide additional support for students that received the loss in educational opportunities due to COVID 19. Students that are placed on rolling quarantine will be provided with tutoring support after school in digital platforms such as google classroom, google meets, and see-saw.

Understanding that having all students join the google live classroom was ineffective for the learning of the some students, our plan will provide students on quarantine with daily small group tutoring time that allows for the differentiation necessary for the disproportionately disadvantaged students to make gains and receive individualized support from certified teachers. An education liaison at each school will also be employed to provide support not only to students, but also for the families who are struggling through the pandemic.

Teachers will be compensated at their individual hourly rate of pay. This strategy was employed to ensure that quality teachers will be available for students beyond the contracted teacher day.

**ARP-ESSER Application: Part 2 - ARP Act**LEA ARP-ESSER Plan - ARP-ESSER Plan Development & Program Information

---

7. **In the space provided below, please describe how the LEA will ensure that the interventions it implements, including but not limited to the interventions implemented under section 2001(e)(1) - the required reserve of 20% of funds - to address the academic impact of lost instructional time, will respond to the academic, social, emotional, and mental health needs of all students, and particularly those students disproportionately impacted by the COVID-19 pandemic, including students from low-income families, students of color, English learners, children with disabilities, students experiencing homelessness, children in foster care, and migratory students.**

Peru Central School will continue to respond to the academic, social, emotional, and mental health needs of all students, and particularly those students disproportionately impacted by the COVID-19 pandemic, including students from low-income families, students of color, English learners, children with disabilities, students experiencing homelessness, children in foster care, and migratory students. By providing state-of-the-art technology and individualized differentiated instruction from highly effective teachers and the services of an educational liaison, disproportionately disadvantaged students will have the supports and referrals for services needed to overcome the impact of lost instructional time. Being a rural remote district located in the Adirondack Park, many families struggle with limited or no home connectivity. The district will work with partners, Verizon and Spectrum, to install hotspots that families can use from the home to support quarantined learning. Technology integrations and remote learning opportunities will be available to support families after hours. Additional supplemental instruction will be provided to students before and after school K-12 with an emphasis on students that are disproportionately impacted by the pandemic, such as District students of color, English language learners, students from poverty and special education students. We will also continue to work with our partners from SweetHearts and Heroes and Champlain Valley Family Services to build emotional connections for our students. As a district, we will develop the Braves mentoring program where High School students will mentor and support Middle and Upper Elementary grades students.

**ARP-ESSER Application: Part 2 - ARP Act**LEA ARP-ESSER Plan - ARP-ESSER Return to In-Person Instruction

---

**ARP-ESSER Return to In-Person Instruction**

PERU CSD

091101060000

Section 2001(i)(1) of the ARP Act requires each LEA that receives ARP ESSER funds to develop and make publicly available on the LEA's website, not later than 30 days after receiving ARP ESSER funds, a plan for the safe return to in-person instruction and continuity of services for all schools, including those that have already returned to in-person instruction. Section 2001(i)(2) of the ARP Act further requires that the LEA seek public comment on the plan and take those comments into account in the development of the plan. Finally, section 2001(i)(3) of the ARP Act states that an LEA that developed a plan for the safe return to in-person instruction and continuity of services prior to the date of enactment of the ARP Act will be deemed to have met the requirement to develop a plan under section 2001(i)(1) as long as the plan meets the statutory requirements (i.e., is publicly available on the LEA's website and was developed after the LEA sought and took into account public comment).

The LEA's plan must include how it will maintain the health and safety of students, educators, and other school and LEA staff and a description of any policies it has adopted regarding each of the CDC's safety recommendations, including universal and correct wearing of masks; modifying facilities to allow for physical distancing (e.g., use of cohorts/podding); handwashing and respiratory etiquette; cleaning and maintaining healthy facilities, including improving ventilation; contact tracing in combination with isolation and quarantine in collaboration with the State, local, territorial, or the health departments of Native American Nations; diagnostic and screening testing; efforts to provide vaccinations to school communities; appropriate accommodations for children with disabilities with respect to health and safety policies; and coordination with State and local health officials.

The plan must describe how the LEA will ensure continuity of services, including but not limited to services to address students' academic needs and the social, emotional, mental health and other needs of students and staff, which may include student health and food services.

LEA plans must be in an understandable and uniform format and, to the extent practicable, written in a language that parents can understand (or, if not practicable, orally translated). Upon request by a parent with a disability, LEA plans must be provided in an alternative format accessible to the parent.

**NYSED will permit previously developed LEA re-opening plans to satisfy the ARP statutory requirement for the safe return to in-person instruction and continuity of services. LEAs must make any necessary updates to existing plans to conform with the USDE requirements within 30 days of receipt of ARP-ESSER funds and to review (and revise if appropriate) plans every six months thereafter (until September 30, 2023).**

- 1. In the space provided below, please provide the URL for the website(s) where the district's most current re-opening/return to in-person learning plan is/will be located. For an LEA that does not have a website, the LEA may identify an online platform (e.g. social media group or post, file sharing service, email listserv) that allows plans to be directly communicated to students, parents or legal guardians, school staff, and other stakeholders. As appropriate, the LEA should provide details about how the plan will be made available to people who request it.**

<https://www.perucsd.org/reopening-and-covid-19-guidance-2021-2022>

Hard copies of the Re-opening/return to in-person learning plan will be available upon request.

**ARP-ESSER Application: Part 2 - ARP Act**LEA ARP-ESSER Plan - ARP-ESSER Return to In-Person Instruction

---

2. An LEA must periodically, but no less frequently than every six months (through September 30, 2023), review and, as appropriate, revise its plan. Consistent with section 2001(i)(2) of the ARP Act, which requires an LEA to seek public comment on the development of its plan, an LEA must seek public input and take such input into account in determining whether to revise its plan and, if it determines revisions are necessary, on the revisions it makes to its plan, i.e., the LEA must seek public input on whether to revise its plan and on any revisions to its plan no less frequently than every six months (taking into consideration the timing of significant changes to CDC guidance on reopening schools). If the LEA revises its plan, the revised plan must address each of the aspects of safety currently recommended by the CDC or, if the CDC has updated its safety recommendations at the time the LEA is revising its plan, each of the updated safety recommendations.

**In the space provided below, please describe how the LEA will review and regularly update (at least every six months through September 30, 2023) it's plan for in-person instruction, including a description of how public comment will be collected.**

The District will continually meet and update the **In-Person Instruction Plan** through committee meetings with it's partners the Peru Administrative Council, the Peru Associations of Teachers, the Civil Service Employee Association, and the Peru Parent Teacher Organization on a biannual basis to ensure we are making every effort to keep out students in school. The District will hold open forums where the community can provide input and suggestions to the District's Plan.
