A CLEAN SWEEP!!!!

Peru High School is Proud to announce that EVERY Varsity fall sports team made the New York State Public High School Athletic Association scholar Athlete Academic Team. This is an impressive accolade as 75% of all players on the roster must hold a 90% G.P.A or better. Great job to all of our Fall Varsity athletic teams. A note about the Varsity football team. This is the first time in recent Peru history that the football team has received this accolade. Kudos to

Thank you to our vets from Peru High School

To the left you see what hangs every day in the lobby of Peru High School as a tribute to our veterans. This was made in our technology through the operation of our laser engraver. it stays lit as a everyday thank you to our veterans.

Congratulations to Mr. Greg Lee- Peru's most recent graduate

From Mr. Berry- A special congratulations to Mr. Greg Lee. I was given the honor, through Operation Recognition and NYS regulations that allow a diploma to be awarded to vets that were not able to finish High School, to present Marine veteran, Mr. Greg Lee, with his diploma from Peru High School. Not only would I like to congratulate Mr. Lee, but I would also like to thank him and Operation Recognition for the opportunity for one of the most humbling and proud moments as Principal of Peru High School.
