Classroom spelling bees will be underway very soon beginning the week of December 19th. Study guides were sent home on Friday, December 2nd. Winners of each class bee will advance to the school-wide bee on January 5th. Peru will then host the Regional Spelling Bee on March 13th. Good luck to all of our spellers!!

The middle school staff provided 15 Thanksgiving baskets for our local community that included a turkey, potatoes, stuffing, pie, and some sides. Several staff members also coordinated with the elementary school to provide coats and winter items available for pickup during Parent Conferences. We hope you had an opportunity to visit with your child's teacher. Please contact the main office any time if you would like to discuss your child's progress throughout the year.
