*Preparing our students  
for success*

*Principal's Desk: A Message from Mrs. Sexton*

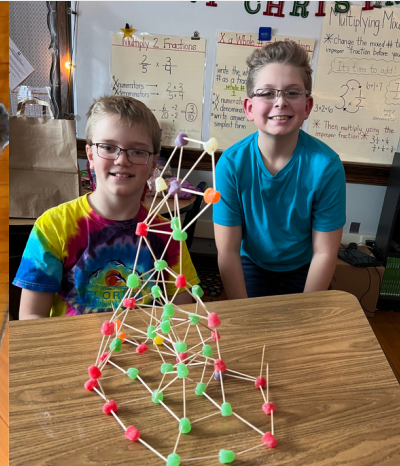

As the saying goes, a picture speaks a thousand words! December brought so many fun activities, traditions, and memories! From Media Club stepping out into their first PSET assembly coverage of the year, holiday themed STEAM projects, acts of gratitude, communication challenges, Circle, to a riveting game of Hungry Hippos done Peru Intermediate style, December delivered! I hope you enjoy this picture packed Nighthawk Notes as much as we enjoyed seeing our students participate in all of these engaging activities. They did great and we are so proud of them!

## A Closer Look: Holidays Around The World

Third graders had a busy December researching holiday traditions from around the world. As a culminating activity, classes had the opportunity to travel to each third grade classroom to learn about the holiday celebration and sample a special treat from The Netherlands, England, France, Sweden, Italy and Germany. Our traditional Holidays Around the World concert included songs and dances from a variety of cultures. Stay tuned for our next grade level travel days during our study of Japan in March, and Mexico in May!
