 - D. **Book Fair** - The book fair is going well with 2 days left. Stephanie advised that the more books we sell the more "Scholastic Bucks" we earn. She has been using some of these "bucks" to pay for children who do not have funds to buy books or are short money when checking out. No one in attendance was opposed to this.
6. New Business
 - A. **Spaghetti Dinner**- We need to get started collecting donations for the raffle early. Lindsey is asking that volunteers start asking for donations next month. Mike Francia, Katie Lewis and Bianca Crandall have volunteered to solicit local businesses. The volunteers will communicate with one another to avoid going to the same businesses. We discussed whether or not we should continue to do the Adirondack Chair raffle. It has always been successful however it is a lot of work

for the art teachers and it may be a good idea to do something different. Carrie Malcolm will talk to the art teachers to see if they have any ideas.

B. Caren Laundree: Author Visit -Caren presented a proposal for use of Coser funding for a visit by Author David Kelly. He has agreed to three presentations for a cost of \$1400. The cost includes 2 books per grade level for grades 3-5. Stephanie Lumb set motion to approve and Sara Imhoff seconded motion.

C. Special Request - Mr. Slattery has requested \$250 to purchase t-shirts for the PE TV students. Mike Francia discussed the plans for the PE TV station. The T-shirts will be used for students who are reporting on different events. They will learn to record, produce and edit programs and have their own You Tube channel. This is part of the new 21st century classroom that includes Robots, Virtual Reality, 3D printers, and a green screen. Carrie Malcomb set forth motion to approve and Amanda Haley-Beaudette seconded motion.

D. November Meeting Date- The November meeting date is scheduled for November 28th due to the holiday week.

7. Open Discussion/Questions -

A. Spaghetti Dinner- Since the Spaghetti dinner is in December this year it was suggested that we have Santa present for the dinner. Laci is going to look into finding a Santa for us. This may help get more families to attend.

B. Special Education/Sensory Issues- A question was raised as to how we can help children with special needs and sensory issues. The current playground is not conducive to the needs of all children. We discussed how we can potentially make the existing playground work for all or maybe a potential addition with sensory issues in mind. This will be discussed further at future meetings. Also, there may be some classroom needs that we can help with.

8. Adjournment - 7:00 pm.

Next Meeting-November 28th at 6:00pm

All meetings will be on the 3rd Wed. of the month (unless noted otherwise)
