

CONSTRUCTION SAFETY

The Peru Central School District Board of Education recognizes the district's responsibility to provide a safe school environment for students and staff during capital projects.

The Superintendent of Schools [or Superintendent's designee] shall be responsible for ensuring that district procedures for safeguarding the safety and health of students and staff are consistent with state law and regulation, including the Uniform Safety Standards for School Construction and Maintenance Projects, section 155.5 of Commissioner's Regulations.

Adoption date: July 14, 2009
