

Peru Central School District

October 24, 2017

Dear Resident:

The Peru Central School District was recently awarded a grant that will allow our district to create a program for forty (40) Prekindergarten students. The Prekindergarten is a New York State funded program specifically designed for 4 year olds. Prekindergarten is not mandatory; parents can choose to participate in the program. In order to be eligible, children must turn 4 years old before December 1, 2017. The Prekindergarten program is free to district residents as this is a full day program. The Prekindergarten Program will start January 2, 2018. One twenty (20) student classroom will be hosted in the K-6 building and twenty (20) students will be hosted by the JCEO Head Start. Since there are only forty (40) slots available, we will first serve high-need students that qualify under Head Start criteria and guidelines, these students will be placed at the JCEO Head Start site. We will select the remaining students utilizing a lottery system.

At this time, the Peru Central School District needs your valuable input regarding your interest in having your child attend the Prekindergarten Program. The information provided will help the district assess the number of students who are interested in participating in the Prekindergarten Program. This information will also be helpful in planning for the 2018-19 kindergarten classrooms.

Please fill out the information on the reverse side and return to the K-2 office or call 518-643-6100, if you are interested in having your child considered for the Prekindergarten Program. Thank you!
