FALL SPORTS AT PERU CSD.

Dear Peru Students, Parents and School Community,

Rumors have been circulating throughout the North Country about the status of Fall Sports in the Peru Central School District. The facts at this time are: The State has given guidance on the Sport Season for this fall, including moving Football and Volleyball to the Spring Season. Districts have the ability to offer other sports during the fall, this is a local decision made by individual school districts. At this time, there has been no final decisions made on whether Peru will begin or play sports during the Fall of 2020. The decision will be made on Thursday, September 17th at a special meeting of the Board of Education. At this time, **IF** sports were to be played, they **WOULD NOT BEGIN BEFORE** Monday, September 28, 2020. A final decision will be shared with the Peru School Community on Friday, September 18th following the Thursday Board meeting. Thank you for your patience during this very difficult time of balancing opportunities for our students with trying to achieve the safest reopening of schools.

Sincerely,

Thomas Palmer Ed.D.
Superintendent of Schools
