EMPOWERING ALL STUDENTS

August 2021

Peru Central School Reopening Update

Most importantly we will be coming back to school 5 days a week for in person Instruction. The District will provide remote instruction to students who have a medical reason substantiated by their doctor.

Information was shared during a Clinton County Health Department press conference by the CVES District Superintendent, Dr. Mark Davey, which ensured that the Clinton County Health Department has accepted and endorsed our regionally developed reopening agreement with some specific guidelines. All of the information is subject to change as the pandemic continues to remain a difficult challenge to overcome.

The items included in our reopening plan are bulleted below. . Please be aware of the fact that having the ability to reopen for in-person learning hinges upon many factors, including your willingness to cooperate with the school district as well as continued monitoring of the transmission rate in our county. We are looking forward to the first day of school for students on Tuesday, September, 7, 2021.

Masking

- All staff, students, and visitors while inside all school buildings and buses are required to wear a mask
- No masks are required while outside of a school building, including during outdoor recess or physical education classes
